Numisia bath are made by Cristalplant® following customer's specifications. Cristalplant is an advanced solid surface material: scratch resistant, strongly UV resistant, non-toxic, completely restorable, hypoallergenic with a natural stone feeling at touch. Due the advanced properties of the material, any imperfections can be easily removed with an abrasive sponge. The coloured finish is applied to the external surface of the bath (the surface not in direct contact with water). All Domus Living products are made in Italy.
